

REMARKS

The original application was filed with claims 1-20. In response to restriction requirements by the Examiner, claims 5, 7, 9, 10, 13-15 and 18-20 were withdrawn from consideration. By this Supplemental Amendment and Response, the previously withdrawn claims have been canceled. By the response dated May 15, 2005, claims 1-4, 6, 8, 11, 12, 16 and 17 were canceled. The Patent & Trademark Office mailed a Notice of Fee Deficiency on May 27, 2005. Apparently, Applicant's attorney did not include in the fee calculation an amount for the withdrawn claims. Applicant's attorney regrets this error.

With this Supplemental Amendment and Response, there are now 16 claims, claims 21-36, with claims 21, 27 and 32 being independent claims.

A complete listing of the claims is presented on page 4 of this Supplemental Amendment and Response.

For these reasons, the Applicant believes that the claims are now in condition for allowance and urges that the claims be allowed. If the Examiner has any questions about any aspect of the present application, she may call the applicant's attorney at the below listed telephone number.

Respectfully submitted.
